The MOSSI LONDON

FACE CLEANSING GEL

Chamomile Extract - Aloe Vera Extract

250 ML

▶ **Removing Makeup - Cleaning - Refreshing**

SKIN CARE

Aloe Vera

Camomile

▶ BENEFITS

- Specially developed for sensitive skin.
- Gently removes makeup and dirt from the skin.
- Removes dead cells that dry, harden, and matte the skin.
- Reduces sensitivity and relaxes the skin.
- Creates a protective barrier on the skin surface and protects the skin against environmental attacks.

▶ HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to moist skin by gently massaging. The skin should be thoroughly rinsed with plenty of water by avoiding contact with eyes.

▶ CONTENTS

Glycerin, Daisy, Aloe Vera

The MOSSI LONDON

FACE CLEANSING GEL WITH BHA

Salycylic Acid

250 ML

- **Cleaning - Purifying**
  Sebum Balancing Matting - Refreshing

BENEFITS

- Specially developed for oily skin and skin with acne.
- In contrast to ordinary aggressive cleaners, it has a gentle cleansing effect by maintaining the moisture balance of the skin.
- Smooths the skin by purifying the pores.
- Eliminates glare by regulating sebum release.
- Helps the skin regain its healthy glow.

SKIN CARE

Mint

Aloe Vera

HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to moist skin by gently massaging. The skin should be thoroughly rinsed with plenty of water by avoiding contact with eyes.

CONTENTS

Salicylic Acid 1.5%, Glycerin, Panthenol, Aloe Vera, Mint

The MOSSI LONDON

TONIC

Glycolic Acid + AHA + BHA

250 ML

- **Purifying - Sebum Balancing Firming - Antibacterial Effect**

BENEFITS

- Specially developed for oily skin and skin with acne.
- In contrast to ordinary aggressive cleaners, it provides supportive care by maintaining the moisture balance of the skin.
- Exhibits high efficacy in the treatment of inflammatory lesions.
- Controls bacterial growth.
- Smooths the skin by purifying the pores.
- Regulates the sebum release and eliminates the glare problem.

SKIN CARE

Hyaluronic Acid

Glycolid Acid

HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to clean skin with cotton with tapping movements. Can be applied locally in the problematic area. Avoid contact with eyes. Do not expose your skin to direct sunlight due to its AHA content.

CONTENTS

Glycolic Acid 5% + AHA + BHA, Glycerin, Sodium PCA, Panthenol, Salicylic Acid, Tartaric Acid, Citric Acid, Lactic Acid, Hyaluronic Acid

The MOSSI LONDON

RED PEELING REGENERATOR SERUM

Liposomal Vitamin E + AHA + BHA

30 ML

▶ **Smoothing - Structuring - Firming - Corrective**

SKIN CARE

Liposome Technology

Beetroot

▶ BENEFITS

- Developed to provide support in rejuvenation.
- In contrast to ordinary keratolytic products, it removes imperfections by maintaining the moisture balance of the skin and providing collagen stimulation.
- It offers a 3 in 1 effect, including Rejuvenation, Sebum Regulation, and Depigmentation.
- Thanks to liposomal technology, Vitamin E exhibits high antioxidant capacity.
- Strengthens the protection of the natural skin barrier and reduces moisture loss.

▶ HOW TO USE

Can only be used in the evening. A sufficient amount of product should be gently applied to clean skin. Avoid contact with eyes. After 10 minutes, the skin should be thoroughly rinsed with plenty of water. For effective results, application is recommended at least every three days.

▶ CONTENTS

Liposomal Vitamin E 1% + AHA 10% + BHA 2%, Salicylic Acid, Glycolic Acid, Tartaric Acid, Citric Acid, Lactic Acid, Hyaluronic Acid, Sodium PCA, Glycerin, Panthenol, Vitamin C, Beetroot, Aloe Vera

The MOSSI LONDON

EYE CONTOUR SERUM

Liposomal (Niacinamide+Caffeine)
- Green Tea Extract

30 ML

▶ **Brightening - Firming - Structuring**

▶ BENEFITS

- Developed to remove eye bags and dark circles.
- Thanks to the strong penetration activity of liposomal technology, it provides very strong antioxidant and microcirculation stimulating effect around the eye and removes edema and toxins.
- Helps to reduce the appearance of simultaneous aging around the eyes and to create a lively and brighter appearance.
- Helps to refresh the appearance of the eye area.

SKIN CARE

Liposome Technology

Green Tea

▶ HOW TO USE

Can be used in the morning and/ or evening. A sufficient amount of product should be applied to the clean eye area by gently massaging. For effective results, daily continuous use is recommended.

▶ CONTENTS

Liposomal (Niacinamide+Caffeine) 10% + Green Tea Extract, Glycerin, Sodium PCA, Hyaluronic Acid, Panthenol, Vitamin C, Vitamin E, Rose Extract

The MOSSI LONDON

PORE MINIMIZING SERUM

Liposomal (Niacinamide+Caffeine) - Zinc PCA

30 ML

▶ **Mattifying - Sebum Balancing - Pore Firming**

SKIN CARE

Liposome Technology

Caffeine

▶ BENEFITS

- Developed to balance intense sebum secretion and to remove pores.
- Thanks to the strong penetration activity of liposomal technology, it supports the regulation of sebum secretion in a short time.
- While eliminating the problem of glare, it maintains the moisture balance simultaneously and the skin barrier is structured.
- Provides antibacterial protection.

▶ HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to clean skin by gently massaging. For effective results, daily continuous use is recommended.

▶ CONTENTS

Liposomal (Niacinamide+Caffeine) 15% + Chain PCA 1%, Glycerin, Hyaluronic Acid, Panthenol, Vitamin E

The MOSSI LONDON

WHITENING SERUM

Liposomal Vitamin C - Alpha-Arbutin - Hyaluronic Acid

30 ML

▶ **Corrective - Brightening - Tone Balancing**

▶ BENEFITS

- Developed to provide strong depigmentation effect.
- Thanks to liposomal technology, Vitamin C is in a stable form. Thus, maximum benefit is obtained from the antioxidant and brightening activity capacity of Vitamin C.
- Supports the regulation of color imbalances in the skin tone and the removal of spots.
- Keeps the moisture balance while helping the skin to look lively and brighter

SKIN CARE

Liposome Technology

Alpha Arbutin

▶ HOW TO USE

Can only be used in the evening. A sufficient amount of product should be applied to clean skin by gently massaging. For effective results, sun protection is recommended during the day.

▶ CONTENTS

Liposomal Vitamin C 10% + Alpha-Arbutin 2% + Hyaluronic Acid, Glycerin, Zinc PCA, Sodium PCA, Aloe Vera

The MOSSI LONDON

ELIXIR COLLAGEN BOOSTER SERUM

Liposomal Vitamin A

30 ML

▶ **Corrective - Brightening - Tone Balancing**

SKIN CARE

Liposome Technology

Cocoa

▶ BENEFITS

- Developed to provide strong anti-age care.
- Thanks to liposomal technology, it is possible for Retinyl Palmitate (Vitamin A) to show activity in the dermal area in a short time.
- Its content enriched with anti-aging peptides provides intensive care for fine lines and deep wrinkles by creating a synergistic effect
- Provides anti-age structuring and protection with collagen stimulation.
- Helps prevent damage to the skin due to environmental stress caused by blue light.

▶ HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to clean skin by gently massaging. For effective results, daily continuous use is recommended. For effective results, sun protection is recommended during the day.

▶ CONTENTS

Liposomal Vitamin A 5%, Niacinamide, Glycerin, Matrixyl™ 3000 (Palmitoyl Oligopeptide 1 + Palmitoyl Tetrapeptide 7), Cocoa Extract, Vitamin E

The MOSSI LONDON

INTENSIVE HIGHLIGHTER SERUM

Liposomal Vitamin C

30 ML

- **Antioxidant Protection - Brightening - Tone Balancing**

BENEFITS

- Developed to provide antioxidant protection and brightening effect.
- Helps the skin to gain a more radiant and smooth appearance by fighting skin defects with its 10% stable Vitamin C content.
- Supports the regulation of skin tone imbalance and the removal of dark spots.
- Keeps the moisture balance while helping the skin to look lively and brighter
- Accelerates the tone equalization process on the skin.

SKIN CARE

Liposome Technology

Vitamin C

HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to clean skin by gently massaging. For effective results, sun protection is recommended during the day.

CONTENTS

Vitamin C 10%, Lemon Peel Essential Oil, Baobab Oil Bisabolol

The MOSSI LONDON

HYALURONIC ACID SERUM

Liposomal Hyaluronic Acid
Vitamin B_5 - Vitamin B_3

30 ML

▶ **Moistening - Structuring - Revitalization - Anti-Aging**

SKIN CARE

Liposome Technology

Hyaluronic Acid

▶ BENEFITS

- Developed to fill the moisture tanks of the skin and to help moistless and matte skin to be structured and nourished.
- Provides epidermal and dermal structuring. Thanks to liposomal technology, it is possible for HA to show activity in the dermal area in a short time.
- 5 complex Hyaluronic acid content provides optimum care for the skin. It makes the skin look fuller, softer and radiant in a short time.

▶ HOW TO USE

Can be used in the morning and/or evening. A sufficient amount of product should be applied to clean skin by gently massaging.

▶ CONTENTS

Liposomal Hyaluronic Acid 10% + Vitamin B_5 + Vitamin B_3

The MOSSI LONDON

DAILY THERAPHY CREAM

Liposomal Vitamin E
Liposomal Hyaluronic Acid
50 ML

▶ **Antioxidant Protection - Moistening - Anti-Aging**

▶ BENEFITS

- Anti-aging supported structuring day cream.
- Developed for antioxidant protection, brightening effect, and anti-aging care.
- With its Liposomal Vitamin E and Hyaluronic Acid content, it strengthens the natural skin barrier throughout the day, helping to reduce moisture loss and prevent fine lines and deep wrinkles and balancing the skin tone simultaneously.
- The formulation is enriched with Baobab and Jojoba oils to reduce early signs of aging by increasing skin elasticity.

SKIN CARE

Liposome Technology

Hyaluronic Acid

▶ HOW TO USE

It can be used every morning. A sufficient amount of product should be gently applied to clean skin (face, neck, and cleavage area) by massaging. For effective results, daily continuous use is recommended.

▶ CONTENTS

Liposomal Hyaluronic Acid, Liposomal Vitamin E, Glycerin, Panthenol, Jojoba Oil, Vitamin C, Aloe Vera, Baobab Oil

The MOSSI LONDON

NIGHT THERAPHY CREAM

Liposomal Vitamin A - Liposamal Vitamin C

50 ML

- **Structuring - Antioxidant Protection**
  Moistening - Anti-Aging

BENEFITS

- Anti-aging supported structuring intensive night cream.
- Liposomal Vitamin A and C also provide night-long anti-aging skin repair with their anti-aging peptide complex content.
- Helps to repair the skin and regenerate the cells for a youthful appearance.
- Helps to balance the skin tone simultaneously.
- Increases skin elasticity and has an antioxidant effect with Baobab and Jojoba oils.
- Reduces moisture loss by strengthening the natural skin barrier.

SKIN CARE

Liposome Technology

Vitamin C

HOW TO USE

Can only be used in the evening. A sufficient amount of product should be gently applied to clean skin (face, neck, and cleavage area) by massaging. For effective results, sun protection is recommended during the day

CONTENTS

The MOSSI LONDON

ANTI-STAIN SUNSCREEN SPF 50+

Liposomal Vitamin E - UVA and UVB Filter

100 ML

▶ **Sun Protection - Moistening**

▶ BENEFITS

- UVA and UVB provide high protection against sunlight.
- Offers strong antioxidant protection with Liposomal Vitamin E content
- Contains 5-complex Hyaluronic acid against moisture loss.
- Formulation has been strengthened with Alpha-Arbutin active ingredients to resist stain formation more strongly and to correct color imbalances in the skin tone.
- Contains Panthenol and Bisabolol for relaxation of the skin throughout the day.

SKIN CARE

Liposome Technology

Aloe Vera

▶ HOW TO USE

It should be applied by distributing an equal amount to the facial area 15 minutes before sun exposure. It is recommended to re-apply every two hours. In addition, the application process should be repeated after sweating, swimming, or drying with a towel to ensure the continuity of sun protection.

▶ CONTENTS

Liposomal Vitamin E, UVA and UVB Filters, Hyaluronic Acid, Alpha-Arbutin, Panthenol, Allantoin, Wheat Seed Oil, Sesame Oil, Jojoba Oil, Gotu Cola, Aloe Vera, Bisabolol

OZONIZED OIL SERUM COMPLEX

30 ML

- **First Step in Graft Care After Hair Transplantation Antiseptic Repair - Structuring**

BENEFITS

- An intensive care oil that supports the healing process in the transplantation area after hair transplantation. It provides antiseptic care and repair in the operation areas with scarring-scab formation after transplantation.
- Ozone-enriched Olive Oil 50% content helps to provide high antioxidant capacity and structure the lesion area. It has a relieving effect on itching with herbal extracts.
- Its specific formulation is ozonated to a level that supports optimal flora development on the scalp during wound healing process.

HAIR CARE

Hyaluronic Acid

Panthenol

HOW TO USE

A sufficient amount of product should be applied to the area needed once a day, preferably in the evening, with the advice of your doctor. After allowing to sit for at least 1 hour on the scalp, rinse the scalp with water. At least 1 month of use is recommended. For effective results, continuous use is recommended. It is suitable for use in scab formation, moisture loss, and itching problems after hair transplantation.

CONTENTS

▶ ▶ **Graft Care After Hair Transplantation**
Antiseptic Moistening - Structuring - Repair

▶ BENEFITS

- It is a specific care oil developed to ensure new hair growth after hair transplantation.
- With its coenzyme Q10 and Vitamin C content, it provides the necessary vitamins for healthy scalp, helping to nourish hair follicles and increase DPC.
- Helps to repair the scalp thanks to St. John's wort, Argan, and Arnica Montana oils.
- Jojoba, Almond, Sesame oils help the hair to grow stronger and grow back. Helps to fight possible dandruff problem with Tea Tree and Sage Oil.

HAIR CARE

Collagen Keratin

▶ HOW TO USE

A sufficient amount of product should be applied to the area needed 2-3 times a week, preferably in the evening. After allowing to sit for at least 1 hour on the scalp, rinse the scalp with water. At least 1 month of use is recommended. For effective results, continuous use is recommended. It is suitable for use in scab formation, moisture loss, and itching problems after hair transplantation.

▶ CONTENTS

Ozone Oil, Olive Oil, Grape Seed Oil, Sweet Almond Oil, Indian Oil, Sesame Oil, Apricot Seed Oil, St. John's Wort Oil, Lemon Peel Oil, Eucalyptus Oil, Tea Tree Oil, Nigella Oil, Wheat Seed Oil, Coenzyme Q10

The MOSSI LONDON

OZONE O_3 REPAIRING SERUM

30 ML

- **Scalp Care After Hair Transplantation Antiseptic Repair - Structuring – Skin Care**

HAIR CARE

Anti-Hairloss

BENEFITS

- It helps to heal and reduce the sensitivity of skin after hair transplantation. It provides support for activation of skin collagen tissue, reduction of the existing wrinkles and prevention of the formation of new wrinkles. It increases skin elasticity.

HOW TO USE

It is recommended to apply locally to the problematic area once or twice a day.

CONTENTS

Ozone Oil, Olive Oil, Grape Seed Oil, Vitamin E

The MOSSI LONDON

OZONE O_3 REPAIR OIL

30 ML

- **Graft Care After Hair Transplantation Antiseptic Repair - Structuring**

HAIR CARE

Anti-Hairloss

BENEFITS

- Application of ozone oil to areas of reduced hair, thinning hair due to hair loss accelerates the blood circulation in that area, thereby stimulating the hair follicle. The stimulated hair follicles enhance and accelerate hair production.

HOW TO USE

It is recommended to Apply The Mossi Hair Repair Oil 9-10 pumps three times a week. Gently massage your hair until it is completely absorbed by the scalp. Leave it on the scalp for 40-50 minutes and rinse. The Repair Oil should be used 1 month after the procedure.

CONTENTS

Ozonized Olive Oil, Ozonized Sunflower Seed Oil, Prunus Amygdalus Dulcis Oil, Prunus Armeniaca Kernel Oil, Argania Spinosa Kernel Oil, Vitis Vinifera Seed Oil, Tocopheryl Acetate.
